To our Customers throughout the Counties of Hastings and Prince Edward and the surrounding country, we beg to return our thanks for past favours, and again to assure them that our business shall be conducted upon the same principles in the future as it has been in the past.

advantages as can be offered but by few firms in the Dominion.

We have a buyer resident in England, who knows where to buy the cheapest and the best. This person buys not only for us, but buys at the same time for twenty-five or thirty other stores like ours in Canada and the United States. In this way we not only obtain access to the best and cheapest markets, but also get the benefit of large purchases; and moreover, prompt cash is paid for all goods bought for us in Britain, saving to us the discounts on purchases so made. Thus we secure our stock at as low a figure as does the largest Wholesale House in Montreal or Toronto. So, buying cheaply we can sell cheaply. can sell cheaply.

Further, in order to bring the prices still lower, we adopted last January the strictly Gash System, thereby effecting a considerable saving by avoiding bad debts, extra expense in keeping books, interest on outstanding accounts, &c., our customes who always pay cash will be benefitted by this as well as our-

Serves.

During the twenty years we have been in business in Belleville we have succeeded in building up a very large trade, so that we are now by far the largest Importers of Dry Goods in this part of the Province, a fact which can be attested by the entries at the Custom House here.

The larger the trade done the better it is for the customers as well as the storckeeper, and our aim is still further to extend our business by offering every inducement to those in need of goods in our line, which price, quality and fair dealing
